Copy of a letter No.G105(ARP), dated Simla, the 26th September 1941, from the Under Secretary to the Government of India, Department of Labour, to the Secretary to the Government of Bengal, Home Department/the Chief Secretary to the Government of Bihar, Political Department/the Chief Secretary to the Government of the Central Provinces and Berar.

I am directed to forward 5/5/2 copies of a memorandum 'Air Raid Precautions for Colliories' prepared by the Government of India detailing the general precautions which, in their opinion, should be taken in all collieries. As the Jharia and Raniganj coalfields are more vulnerable than the other coalfields of India, air raid precautions are particularly necessary in these coalfields. Copies of the memorandum are being distributed to owners of collieries in the Jharia, Raniganj, Giridih, Bokaro and Karanpura coalfields by the Chief Inspector of Mines in India, Dhanbad.
